## REOTEMP Guarantee & Warranty Information

### One Year Warranty

All REOTEMP temperature instruments are warranted for a minimum of one year from date of receipt to be free of manufacturer's defects in material and workmanship (Certain bimetal thermometers are warranted for 5 years; see TI catalog).

### Our Guarantee

Reotemp guarantees the products will perform within the cataloged performance specifications if used within specified parameters. Determination of defect or failure will be made at Reotemp or at a certified test facility. Warranty is limited to replacement or repair at factory. This warranty is expressly in lieu of any other warranty, expressed or implied, and of all other obligations or liability on our part for damages, including but not limited to, consequential damages arising out of use or misuse of our temperature instruments, and we neither assume nor authorize anyone to assume for us, any other liability in connection with the sale of our instruments or sensors. Suitability of product for the customer's application rests with the customer; REOTEMP does not warrant suitability of its product for the application selected by customer.

REOTEMP reserves the right to make product improvements and change its specification stated throughout this catalog at anytime without notification. Please contact the factory on all critical dimensions and specifications for verification.
